Reserved for You

Once among Maine's most successful saltwater farms, the Wells Reserve at Laudholm is now a cherished, protected place. With restored barns, spacious grounds, and stunning views, the Wells Reserve will be a memorable venue for your Maine Coast wedding.

- Behold the stately structures of historic Laudholm. Step onto the farmhouse porch and take in sweeping views of field, forest, marsh, and bay.
- Select your own vendors (we have some to recommend). Decorators become inspired here. Caterers enjoy a full kitchen and choice spots for bars and grills. Photographers find fresh creativity at the Wells Reserve.
- Your guests reach the site easily and enjoy plenty of parking.
- Your fee preserves and protects the Wells Reserve and supports a mission of education, research, and conservation.

Visit any time — we're open every day from 7am to sunset. Take the virtual tour on the web. When you're ready for a walk-through, we're happy to arrange it.
